

Intel® Small Business Advantage

# SUPPORT MADE SIMPLE.

Discover Intel® Small Business Advantage in devices powered by 6<sup>th</sup> gen Intel® Core™ processors.

From keeping data safe to making sure you maintain a competitive edge, running a business means lots of multi-tasking. Intel® Small Business Advantage is the simple solution that helps keep your business productive, competitive, connected and safe—without adding more to your to-do list. Focus on your business, not your technology.

## INTEL SMALL BUSINESS ADVANTAGE BENEFITS

### Safeguards Devices & Data

Helps protect your data and devices. If security is compromised, you get an alert.

Continual security software monitoring keeps data and devices safe, and a USB Blocker helps prevent viruses from entering devices and stops unauthorized data transfers from going out.

**INSTANT SECURITY ALERTS**

**USB BLOCKER**

**24/7 SECURITY**

### Keeps Devices Current

“Set it and forget it” while Intel Small Business Advantage automatically updates software and backs up your critical data to an external drive.

Runs maintenance tasks overnight, so the workday is not disrupted.

**AUTOMATIC OVERNIGHT MAINTENANCE**

**AUTOMATIC DATA BACK-UP**

### Makes Sharing Easy

Built-in chat, file sharing and screen sharing allow your team to instantly collaborate—with no added costs.

The optional companion app enables fast collaboration on Windows\*, Android\* and iOS mobile devices. Out of the office—never out of the loop.

**BUILT-IN CHAT**

**CROSS-DEVICE SCREEN SHARING**

**USER-TO-USER FILE SHARING**
